A REGISTERED CHARITY

The Training Centre is the only training agency in Ontario that provides specialized training to individuals who work exclusively with the homeless population, producing two calendars annually, providing over 120 workshops in a wide range of subject areas including: standardized and specialized training for those working with homeless individuals and families; upgrading working skills for shelter staff; standardized training for the Shelter Standards, Standard First Aid and CPR, WHMIS and Crisis Prevention Trainings; the Hostels Training Centre Certificate Programs; and innovative education for recognized needs and trends.

Become a friend of the Toronto Hostels Training Centre and make a charitable donation towards this unique and innovative program. Your dollars will enable the Training Centre to continue to provide high-quality and financially accessible training to those who work directly with the homeless enabling them to deal more effectively with the increasing demands and complexities of this vulnerable population.
